This is Tim Bamford's second position with the G.L.S.C. He is our outgoing Vice President and now our current President. He has also been previously involved with the club as an adopt a trail member and as a volunteered for several years. We are looking forward to his continued involvement.

“On November 2, 2011 I was elected President of the Grand Lake Sno-Cruisers after holding a 3 year term as Vice President of the club. I have also served a one year term as the Vice President of the New Brunswick Federation of Snowmobile Clubs. I currently hold position of Zone 7 Director. Originally from Fredericton, I have enjoyed my

winter activities in the beautiful Grand Lake area. I have done so since the late 80's. Snowmobiling began as a way to access our camp in the winter, but quickly grew to the passion of sport as I enjoy it today. I currently reside in the Village of Chipman where I extend my passion to our club. The help and support that is extended from the Grand Lake area and the volunteers is overwhelming to say the least. I look forward to serving my duties as President of the G.L.S.C. “

**Thank You,
Tim Bamford
President**

This is Sam Williams first position with the G.L.S.C. as Vice President. He has been involved with the club as an adopt a trail member and as a volunteered for several years. We are looking forward to his continued involvement.

“Being from the area it was only natural to be interested in all things outdoors .At an early age we had snowmobiles and trail bikes and spent time in the woods hunting and fishing whenever we could. I was away from snowmobiling for several years but still spent time on my ATV. In recent years I got back into Snowmobiling and soon realized that the sport

had changed dramatically with newer sleds and an excellent organized trail system. Wanting to contribute to an organization that I have enjoyed, I accepted the Job of Vice President and am looking forward to working with the members. I would like to thank all the volunteers, past and present, for all their hard work and dedication to making snowmobiling what it is today.”

“This year, there has been more involvement and interest in the club than in previous years and this is a testament to the past executives Mike and Harold Barton, with their direction, devotion and mandate of G.L.S.C. I hope that the new executive will be able to achieve the same level of service and dedication.”

“ I was introduced to snowmobiling in 1977 when my father brought home a new 1977 300 Moto Ski. In 1998 after a 15 year hiatus, snowmobiling became my passion once again. I'm married and have four kids and we all enjoy the sport. I work in the tourism business and promoting snowmobiling in New Brunswick is always exciting! “
